Dear Dr. Benito:

At the February 2015 meeting of the National Architectural Accrediting Board, the board reviewed the Visiting Team Report from visit three to UEM. I am pleased to report that UEM's Master's Degree in Architecture, Bachelor's Degree in Fundamentals of Architecture, and Bachelor's Degree in Architecture have been granted Substantial Equivalency for a period of six years. The Substantial Equivalency term is effective January 1, 2015.

The NAAB requires that the following documents be housed together in the architecture library and be freely available to everyone: the most recent Architecture Program Report, the final Visiting Team Report and pertinent attachments (attached), and the current editions of the *Conditions for Substantial Equivalency* and the *Procedures for Substantial Equivalency*. Also see Appendix 6 of the 2012 *Conditions* for the required text for use in catalogs and promotional materials.

On behalf of the NAAB directors and staff, I want to congratulate UEM on achieving the Substantial Equivalency designation.

Sincerely,

Sincerely,  
Shannon B. Kraus, FAIA, NCARB, FACHA  
President
