University Activities is an optional fourth year subject in Biotechnology. It forms part of the SOCIAL AND ECONOMIC ASPECTS OF BIOTECHNOLOGY module.

3. LEARNING OUTCOMES (RA, by the acronym in Spanish)

ABILITIES (HAB, by the acronym in Spanish)

- Taking initiative, a sense of responsibility and collective awareness through participation in and/or organisation of activities that benefit the university community or society as a whole.

4. CONTENTS

TRANSFER OF UNIVERSITY ACTIVITY CREDITS

The University Activities course is an optional course that may be included in some Bachelor's degree programmes.

In accordance with legislation, students may receive academic credit of up to 6 ECTS for participation in extracurricular activities in the following fields: Culture, Sport, Student Council, Solidarity, Cooperation and others.

Details of activities which may be recognised:

- Attendance and active participation in seminars, conferences and workshops. Depending on the activity, a summary, reflection or final report may be requested. Recognition: depending on the activity duration.
- Participation in professional and faculty laboratory sessions. Recognition: depending on the duration of the commitment.
- Coordination and participation with clubs and student associations. Submission of activity schedule and report. Recognition of up to 4 ECTS.

- Participation in the Council of Delegates (student representation body). Submission of activity schedule and report. Acknowledgements: 1 ECTS.
- Participation in cultural passport activities. Only activities with organisations with a signed and current agreement will be recognised. Recognition: minimum 8 activities will equal 1 ECTS.
- Participation in volunteering work on a national level. Recognition: minimum 2 hours per week for each 1 ECTS.
- Participation in the Development Cooperation project (international volunteering). Recognition: up to 4 ECTS.

5. TEACHING/LEARNING METHODS

The types of teaching/learning methods are as follows:

- Service learning

6. LEARNING ACTIVITIES

10. EDUCATIONAL GUIDANCE AND DIVERSITY UNIT

The Educational Guidance and Diversity Unit (ODI in Spanish) offers support throughout your time at university to help you with your academic achievement. Other cornerstones of our educational policy are the inclusion of students with special educational needs, universal access in all our university campuses and equal opportunities.

This ODI unit offers students:

1. Support and monitoring through counselling and personalised student plans for those who need to improve their academic performance.
2. Curricular adaptations to uphold diversity, with assistance for those students who require specific educational support, leading to equal opportunities without significant changes to methodology or evaluation.
3. We offer students a range of extracurricular educational resources to reinforce skills which will enhance their personal and professional development.
4. Career guidance by offering tools and advice to students with doubts regarding their professional careers or those who believe they have chosen the wrong line of study.

Students who need educational support can contact us at:

orientacioneducativa@universidadeuropea.es

11. SATISFACTION SURVEYS

Your opinion matters!

Universidad Europea encourages you to complete our satisfaction surveys to identify strengths and areas for improvement for staff, degree courses and the learning process.

These surveys will be available in the surveys area of your virtual campus or by email.

Your opinion is essential to improve the quality of the course.

Many thanks for taking part.
